Dear Judge Sweet:

We represent the plaintiffs in this matter. In accordance with your clerk's directive, we submit this letter application for leave to supplement our electronic filing of the Complaint.

This action was commenced by our filing of paper copies of a Summons, Complaint and Rule 7.1 Disclosure Statement with the Clerk of the Court on February 14, 2008. The Complaint references exhibits A through G, which are annexed to it.

Subsequently, pursuant to the ECF instructions, our office transmitted an email to the Clerk of the Court at case_openings@nysd.uscourts.gov, annexing the initiating documents. However, based upon previous directives from the ECF Help Desk, we did not include the exhibits to the Complaint in our email. We were previously advised that lengthy exhibits to an initiating document need not be filed electronically due to their large file size.

On March 17, 2008, defendants' counsel requested that we electronically submit to the Court the exhibits to the Complaint. On March 18, 2008, we telephoned the ECF Help Desk and were told we must obtain consent from Your Honor to supplement our electronic submission of the initiating documents. Accordingly, we telephoned Your Honor's chambers and were instructed by a clerk to submit this letter application.

We respectfully request, on consent of defendants' counsel, that we be permitted to transmit the exhibits to the Complaint by email to the Clerk of the Court, in order to supplement our prior email transmission of the initiating documents. We reiterate that the paper copies of the initiating documents that were filed with the Clerk of the Court were complete, with all exhibits, as were the copies which were served upon the defendants.

Thank you.

Respectfully submitted,
